

Pieces of Hope for Autism | Panera Cookie Campaign Supporting Autism Initiatives at MUSC

Since 2010, Panera has been selling puzzle piece shaped 'pieces of hope' cookies in support of autism awareness and fundraising. These puzzle piece cookie sales have raised over \$1,200,000 for autism initiatives throughout the US.

For a full week this Spring, Panera locations throughout South Carolina and Northern Georgia will sell puzzle cookies to raise funds in support of MUSC Psychiatry's Project Rex, a treatment initiative dedicated to providing services to children on the autism spectrum and their families. One hundred per cent of profits from cookie sales at all locations will go to Project Rex. Please join us in supporting this amazing fundraising campaign.

Cookie preorder forms can be filled out and submitted until April 8, 2018 and are available online at musc.edu/psychiatry/education/CECAR/ProjectRexFundraisingCampaign.

Cookie Campaign Dates: April 9 - 15, 2018

Cookie Sale Locations: All Panera locations in South Carolina and Northern Georgia
